## Woodturners of Southwest Missouri

Richard worked as a dentist in Springfield for more than 50 years. He started woodturning and woodworking at the age of 13. In 2012, Richard began to practice Artisan woodturning. He has won several awards for turning with the Ozark Empire Fair and the Woodturners. Richard works mainly with local woods that have been cut for various other uses. His work is for sale through Etsy, under the name “AsTheDocTurns.”
